7. **1Graffiti** *it can be the opening of a communal space: a commentary, a conversation, Street art adds to public discourse by putting something out into the world; it is the start of a conversation. Street art has a way of inviting participation*

2 *Advertising is a coercive, manipulative form of psychological warfare designed to trick us into buying things we don't need with money we don't have.*

3. *Advertising privatises our public spaces. Genuine street art does not aim at ownership, but at capturing and sharing a concept.*
